How to access WSET courses

WSET courses are available through a network of Approved Programme Providers (APPs) in over 70 countries.

Courses for your employees can be arranged with an existing APP, or you may wish to discuss becoming approved to deliver our courses in-house. Please note there are stringent requirements and quality control measures in place for the latter.

Our Development Teams can help advise you on the best solution for your business needs.

The most highly educated...

“WSET qualifications have been a critical part of Constellation Brands’ wine training programs for the past 6 years. I believe it has allowed our employees to be among the most highly educated in the US wine industry.”

Peter Marks MW
VP Education
Constellation Brands, USA

“Following completion of WSET courses the hotel saw a significant 11.9% increase in average bar spend... the guest experience has undoubtedly benefited as a result of the staff’s knowledge and enthusiasm for wine.”

Hotel du Vin & Bistro, UK

“It’s a great asset for us to be able to deliver an internationally recognised qualification, which breaks down barriers, making a previously mysterious world entirely accessible. For our clients, having a WSET qualification is a great addition to their skill set, giving them confidence and knowledge, which in turn helps to drive sales in the businesses they work for. It’s a win, win situation.”

Bibendum, UK
